

Just a quick note to wish you a Happy New Year and to fill you in on the past week.

The competition response was amazing! We've got hundreds of photos ready for the music episode this Sunday. Winners will be announced in the episode.

The past 5 days has been a huge frustration as the recording booth was due to arrive but has since been delayed another 2 weeks! Finding a quiet place to record in this house over the holiday break has been close to impossible (I need that damn booth already!)

This weekend we'll have 2 x Mind Shots up for Premiums and the Music Special late Sunday night (PST) with the regular schedule for 2008 kicking off again on Monday.

Looking forward to spending 2008 with you! Ben
